

University of Bologna - summer "green" semester 2021/ 22

Green Energy and Finance

Join the GrEnFin Pilot Class at the oldest university in Europe!

University of Bologna offers an experimental 4th semester of a study plan that focuses on green energy and finance.

You have an opportunity to spend a whole summer semester in Bologna, follow "green path" and get 30 ECTS.

Structure of your study:

You have to choose specific subjects from University of Bologna "green" offer (30 ECTS in total):

- ▶ **18 ECTS - Master Thesis Seminar** - the topic of the thesis should focus on the area of Green Energy and Finance. The defence will be carried out in UE Katowice after your return.
- ▶ **Electives from "green path" - 12 ECTS in total:**
 - GrEnFin-Credit Risk and Climate Change (6 ECTS)
 - GrEnFin-Asset Management and Transition Risk (6 ECTS)
 - GrEnFin-Smart Grids for Smart Cities (6 ECTS)
 - Intensive Program in Energy Market (6 ECTS)

Remember:

Your Learning Agreement should include only subjects chosen from the group listed above.

Narrow choice now, but wider opportunities in future 😊.
